Dear Ms. LeBlanc:

It has come to our attention that your new NRC byproduct Materials license No. 17-32715-01 issued on December 3, 2008, contained an error, in that the license number should have had the letters "MD" as an end extension.

Enclosed please find a corrected copy showing the complete and correct license number. We apologize for any inconvenience this error may have caused you.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in cursive script that reads "Colleen Carol Casey".
