Chief, Rulemaking, Directives and Editing Branch
U.S. Nuclear Regulatory Commission
Mailstop T6-D59
Washington, D.C. 20555-001

Dear Sir/Madam:

The U. S. Department of the Interior (Department) has no comment on the Draft Generic Environmental Impact Statement for the License Renewal of Nuclear Plants, NUREG-1437, Supplement 36, for the Beaver Valley Power Station, Units 1 and 2, located in Beaver County, Pennsylvania.

Thank you for the opportunity for comment.

Sincerely,

Michael T. Chezik
Regional Environmental Officer
