SUBJECT

Notified licensee of license expiration date

SUMMARY

The inspector informed the licensee that its NRC license will expire on 12/31/08 if the licensee does not submit a request to renew the license before that date. The licensee plans to submit a request to renew the license via fax to Patty Pelke's attention as soon as possible. The inspector informed the licensee about NUREG-1556, Vol. 9 and discussed the consequences of an expired license
