To whom it may concern:

On behalf of myself and the United Way of Southern Columbiana County I would like to say how much the FirstEnergy Nuclear Operating Company Beaver Valley Power Station benefits our United Way.

We are a United Way that funds 15 member agencies in Columbiana County with a budget of \$114,000. Without the funds that we receive from The FirstEnergy Nuclear Power Station we wouldn't be able to fund these 15 member agencies which in turn help thousands of people in Southern Columbiana County.

We appreciate the funding and support from The FirstEnergy Power Station.

Sincerely,

*Diane Johnson*
