(NOTE: This will be used as the Documents Title in ADAMS)

In the letter dated 12/8/08, the DOA requested that Eva Smietana, M.D. be listed on the license as an AU of 35.100; 35.200; 35.300; and 31.11 materials. A copy of her ABR certificate in Diagnostic Radiology and the preceptor attestation statement for her 35.100 and 35.200 materials was received on 12/17, 2008. However, the NRC Form 313A(AUT) was not completed by her preceptor. I reviewed the information that was missing from the form with LT Sublett and she stated that she would forward the information to Dr. Smietana's preceptor and return the updated form to me ASAP.
