Subject: Verification of Mailing Address

(NOTE: This will be used as the  
Documents Title in ADAMS)

The licensee requested change in one of its addresses. The licensee's mailing address is in Ohio, and the storage location is in West Virginia. I called the licensee to explain that the requested address is already on the license as storage location, and if they intended to change the mailing address to the current storage location's address, in which case the license number will be changed from 34- to 47-

The licensee requested to leave the mailing address unchanged, and only add the model number of gauge.
