Re: South Carolina Electric & Gas Company and South Carolina Public Service Authority
(Virgil C. Summer Nuclear Station, Units 2 and 3)
Docket Nos. 52-027 and 52-028

Dear Ms. Bregman:

It has come to my attention that on December 24, 2008, when we served "South Carolina Electric and Gas Company's Answer to the South Carolina Office of Regulatory Staff's Request to Participate as an Interested State and to be Added to the Official Service List," the corresponding Certificate of Service, and our three accompanying Notices of Appearance, my colleague Lawrence Chandler sent the document from his computer, as opposed to mine. Thus, even though I signed the documents, Mr. Chandler's electronic signature appears on them. Notwithstanding this oversight, service of the documents was intended to conform to 10 C.F.R. §§ 2.304(d) and 2.305.

We informed the Board of the foregoing yesterday and, per Judge Abramson's suggestion, we are notifying those on the service list of the same.

Sincerely,

Signed (electronically) by Kathryn M. Sutton
