MHI,

Attached please find the subject request for additional information (RAI). This RAI was sent to you in draft form. The schedule we established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. However, MHI needs and we grant 45 days to answer these questions due to the Holiday. We will adjust the schedule accordingly.

Please submit you RAI response to the NRC Document Control Desk.

Thanks

Jeff Ciocco
