RE: NRC License No. 06-09522-01, Mail Control No. 143052

Dear Sir or Madam:

Please combine this with our previously submitted amendment under Mail Control Number 143052. I request the addition of Maria Pavlis, M.D. as an authorized user of Materials in 35.200 for cardiovascular studies. In support of Dr. Pavlis's training and experience I have enclosed a copy of New York State Department of Health Radioactive Materials License number 3195.

If you have any additional questions regarding our request, please contact me at 203-863-3036.

Sincerely,

Ralph Sgambato
Administrative Director of Radiology
