Three Mile Island Nuclear Station, Unit 1  
Facility Operating License No. DPR-50  
NRC Docket No. 50-289

**Subject:** Notification of Expected Date of Transfer of Nuclear Units to Exelon Generation Company, LLC

**Reference:** (1) NRC letters, Christopher Gratton (USNRC) to Charles G. Pardee (Exelon/AmerGen) "Order Approving Transfer of the Operating License and Conforming Amendment," dated December 23, 2008 (Three letters, one each involving Clinton Power Station, Oyster Creek Nuclear Generating Station, and Three Mile Island Nuclear Station, Unit 1)

(2) Letter from John Hoffman (American Nuclear Insurers) to Ira P. Dinitz (USNRC) dated October 16, 2008

In accordance with Section III of the Orders issued in the Reference 1 letters, we are informing the Director of the Office of Nuclear Reactor Regulation of the upcoming transfer of the above nuclear units from AmerGen Energy Company, LLC to Exelon Generation Company, LLC. The closing of the transfer of the nuclear units is expected to occur as early as January 8, 2009.

Additionally, as discussed in the Reference 2 letter, American Nuclear Insurers (ANI) will write nuclear liability insurance for Clinton Power Station, Oyster Creek Nuclear Generating Station, and Three Mile Island Nuclear Station, Unit 1 upon transfer of the facility operating licenses from AmerGen Energy Company, LLC to Exelon Generation Company, LLC. A copy of the Reference 2 letter is attached for your convenience.

There are no regulatory approvals (other than NRC) required for the transfer of these licenses.

There are no regulatory commitments contained in this letter.

We will keep the NRC informed of any developments that have an impact on the schedule of closing the transfer of these licenses. If you have any questions about this letter, please contact David Helker at (610) 765-5525.

Respectfully,

Pamela B. Cowan  
Director – Licensing & Regulatory Affairs  
Exelon Generation Company, LLC

*Re: AmerGen Energy Company, LLC*

Dear Ira,

This letter confirms that American Nuclear Insurers will write nuclear liability insurance for the Oyster Creek, Three Mile Island and Clinton nuclear plants, upon transfer of the facility operating licenses from AmerGen Energy Company, LLC to Exelon Generation Company, LLC.

As of the transfer date, currently expected to be January 1, 2009, we will amend the Oyster Creek, Three Mile Island and Clinton policies and certificates as follows.

- Under Facility Form Policy Nos. NF-0164 and NF-0261, we will change the Named Insured from AmerGen Energy Company, LLC to Exelon Generation Company, LLC. Under Facility Form Policy No. NF-0220, we will change the first Named Insured from AmerGen Energy Company, LLC to Exelon Generation Company, LLC.
- Under Facility Worker Form Certificate Nos. NW-0558, NW-0688 and NW-0621, we will change the Named Insured from AmerGen Energy Company, LLC to Exelon Generation Company, LLC.
- Under Secondary Financial Protection Certificate Nos. N-0013, N-0056 and N-0085, we will change the Named Insured from AmerGen Energy Company, LLC to Exelon Generation Company, LLC. As no longer a Named Insured on the certificates, AmerGen Energy Company, LLC will have no obligation to pay retrospective premiums for nuclear incidents that take place on or after the transfer date.

Regards,

A handwritten signature in cursive script, appearing to read 'John Hoffman', is written over a horizontal line.
