Re: Update to Notification regarding Material License # 29-31132-01 <sup>RLJ</sup>

Dear Mr. Thompson:

This is a correction to the letter concerning the change of ownership that was sent to your attention on December 1, 2008. The name of the organization resulting from the transactions that were the subject of the letter will be ImClone Systems Corporation rather than ImClone Corporation. As previously stated we do not anticipate any additional changes to the License program from this transaction.

If additional information is needed regarding any impact on the license activities due to this change please contact the Radiation Safety Officer, Beverly Hiles at (908) 541-8140 or via email [beverly.hiles@imclone.com](mailto:beverly.hiles@imclone.com).

Sincerely,

Gary Paulter  
Vice President, Engineering and Facilities
