12 December 2008

Mr. Dale E. Klein, Chairman  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

Dear Mr. Klein,

This is being written with the hopes that you can provide me with some assistance.

In my letter of January 25, 2007, to Senator Harry Reid, I asked him, basically:

"It is my understanding that you have some reservations relative to the use of Yucca Mountain as a nuclear waste dump."

Will it be Yucca or is it your plan for the nuclear wastes to remain dispersed throughout the country---availing terrorists with a good number of vulnerable locations?

Is there a major 'risk' issue, Senator?"

Perhaps the senator refused to answer me because I am not a constituent--- or worse still --- perhaps he wasn't able to provide me with a reasonably comprehensive and meaningful response.

Are you willing to comply?

Thank you.

Sincerely,

  
William C. Bradshaw

cc: Senator Dianne Feinstein
