Subject: data for 1/09/08 phone call

To all,

Attached is the data for the 01/09/08 phone call. For the call tomorrow, we would also like clarification for what changes if any are contemplated for section 6.4 and 9.3 of the Westinghouse DCA and the RCOLs and SCOLs given the questions that the NRC has asked regarding chemical hazards analysis for the control room.

Thanks,

Joe Sebrosky
