Eddie,

Below is an email that schedule the call for 2.3.4-1, 2.3.4-3, and 2.3.5-1. I'll send you another email summarizing the results. I provided this email because it gives some details about the status of other RAIs.

Subject: info: status of section 2.3

Phil and Bob,

Attached is an updated status report that reflects changes that have been made to section 2.3.4 and 2.3.5. Please note the following:

2.3.4-1, 2.3.4-3, and 2.3.5-1 are shown as issued/open action applicant based on the request to have a phone call on these issues.

RAI 2.3.5-3 is shown as question closed/issue unresolved based on followon questions 2.3.5-7 and 2.3.5-8

RAI 2.3.5-5 is shown as question closed/issue unresolved based on followon question 2.3.5-7

RAI 2.3.5-2 is shown as question closed/issue unresolved based on followon question 2.3.5-6

For the 1:00 pm call in addition to discussing 2.3.4-1, 2.3.4-3, and 2.3.5-1, we would like to receive a status on TVA's plans to have a calculation package available for staff review in response to RAI 2.3.2-4. The last status report provided to the NRC indicates that supplemental information for this RAI will be available on 12/22/08. Is this when the calc package will be available in NUSTART's Rockville office?

Sincerely,

Joe Sebrosky
