Subject: UniStar Nuclear Development, LLC  
Calvert Cliffs Nuclear Power Plant Combined License Application

Dear Mr. Krich:

For the UniStar Nuclear LLC proposed U.S. Evolutionary Power Reactor to be located adjacent to the Calvert Cliffs Power Station Units 1 and 2 in Lusby, MD, the (county) Emergency Management Agency is committed to participating in any further development of the emergency response plans, including any required field demonstrations, if found to be needed, and will work with UniStar Nuclear to identify any needed changes to our current commitment to execute our responsibilities under the existing emergency response plans in the event of an emergency.

Should you need anything further, please feel free to contact me at (301) 475-4200, Extension 2111.

Sincerely,

David D. Zylak  
Director, Department of Public Safety
