Re: **License SUA-1473**  
**Docket No. 40-8905**

Dear Mr. Von Till,,

In accordance with license condition #13 of the above referenced source material license, Rio Algom Mining LLC has ten (10) ion exchange columns available at the main facility for use in recovering uranium from mine waters. Currently, no columns are being used for mine water treatment.

If you have any questions, please call me at (505) 287-8851, extension 15.
