Re: Western Nuclear Split Rock Mill Site

Dear Mr. Chang:

We received your letter of December 10, 2008 requesting additional information to support the license amendment request we made in a letter to you dated December 1, 2008. In your letter you requested that the additional information be submitted within 30 days of your letter. We will need an additional 30 day, until February 10, to submit the requested information.

If you have any questions or concerns, please contact Lou Miller at 970 412 1256.

Sincerely,

Lawrence J Corte
President
