Dear Mr. Liner:

The Department acknowledges the April 30, 2003 letter (Liner to Mowbray), received May 8, 2003, regarding the installation of a vault sheet drain system for the above referenced facility. The letter and attachments will be placed in the facility's file for future reference. Please be reminded, any future changes to the operations or design of the facility should be submitted in writing to the Department for review and approval prior to making such changes. If you have any questions, please contact Jenny Mowbray at (803) 896-4217.

Sincerely,

Robert L. Gill, P.E., Manger
