**Subject:** NCWRC Cape Fear mussel survey

Hi Vann,

I have had a chance to go through the information you supplied from Brena Jones regarding the mussel sampling in the Cape Fear River. If possible, I need a few more details from this sampling effort.

1. What habitat was sampled in the Buckhorn Dam transect? Was it along the shoreline or out into the river? How long were the transects sampled?
2. What was the total abundance for the 6 species found in this river reach? The catch per unit effort?
3. Has the study been written into a report that I can cite?

Thanks, and best wishes for a Happy New Year!

---
