RE: Proposed Agreement with the Commonwealth of Virginia

Dear Sir or Madam:

03013589

In response to the above referenced proposal, Adams Construction Company plans to possess, upon the effective date of the proposed agreement, only a Commonwealth of Virginia license to replace our existing NRC license No. 45-17887-01. Adams Construction Company currently conducts work activities only in Virginia and North Carolina, which are both Agreement states and would not require an additional NRC license.

Your help in this matter is appreciated and if any additional information is needed please feel free to contact our RSO, Marty Wallace at 540-362-0915 or 540-293-5175.

Sincerely,  
Adams Construction Company

Marty Wallace  
Radiation Safety Officer
