Dear Mr. Port:

On September 29, 2008, we terminated NRC License Number 21-01443-06, originally issued to Parke, Davis & Company, and neglected to cancel and return the Irrevocable Standby Letter of Credit (LOC) No. P-217667 dated September 28, 2001, and Standby Trust Agreement (STA) dated October 1, 2001. The LOC, valued at \$6,000,000, and STA were held by our office for decommissioning financial assurance (DFA). As a result of the license termination, the DFA is no longer required.

Therefore, in accordance with instruction that we received from Mr. Tom Bauer, Director, Pfizer Global Manufacturing, Holland, Michigan, we are enclosing, for your records, the original LOC dated September 28, 2001 and STA dated October 1, 2001, which we have canceled.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, please contact Kevin Null of my staff at (630) 829-9854.

Sincerely,

/RA/
