Dear Sir,

03031883

Please be informed that effective 12/2/08, Diagnostic Imaging Center, LLC discontinued medical imaging which would require the use of radioactive materials; therefore we wish to discontinue our NRC license # 45-25118-01.

Attached is verification that all radioactive sources have been transferred to our parent hospital, Danville Regional Medical Center, NRC License # 45-15154-03. This information may be confirmed with Karen Stadler, Radiology Manager at 434-799-2112.

Also, attached are area wipe tests and area surveys, documenting the absence of all radioactivity; document the decommissioning the area.

Please feel free to contact Debra Parrish, DDIC Director at 434-793-1043 if you should have questions.

Respectfully Submitted,

G. Michael Spencer, MD
