SUBJECT: NRC INSPECTION REPORT NOS. 03037343/2008001 AND
03037343/2008002, INTEGRITY TESTING & INSPECTION, OWENSBORO,
KENTUCKY SITE

Dear Mr. Coleman:

On August 20, 2008, and January 12 - 13, 2009, Randolph Ragland of this office conducted telephone inquiries regarding your licensed activities authorized by the above listed NRC license. The inspection was limited to a review of the scope of your program and planned work in areas under NRC jurisdiction. From these discussions, we understand that you primarily work in the State of Kentucky under Kentucky License No. KY-201-692-05, and that you did not conduct licensed activities in areas under NRC jurisdiction in 2008 and have no near term plans for work at locations under NRC jurisdiction. If our understanding is incorrect, please inform us in writing.

We will continue to periodically contact you to determine the status of your NRC licensed activities. If you do plan to work under your NRC license in areas under NRC jurisdiction, please contact Mr. Randolph Ragland at 610-337-5083 or me at 610-337-5205. No reply to this letter is required; however, we will be pleased to discuss any questions with you.

Please note that we will review corrective actions taken in response to NRC Inspection 03037343/2007001, during a future inspection of licensed activities.

Current NRC regulations are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material**; then **Regulations, Guidance, and Communications**. The current NRC Enforcement Policy is included on the NRC's website at www.nrc.gov; select **About NRC; How We Regulate; Enforcement**; then **Enforcement Policy**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 7:00 a.m. to 6:30 p.m. EST, Monday through Friday (except Federal holidays).
