**Subject:** Telcon Summary - Telcon with Vogtle 11/24/2008

On November 24, 2008, NRC staff (Tanya Simms, William Roggenbrodt, Deanna Zhang, and Wendell Morton) participated in a telephone conference call with Vogtle representatives and observers (see below) regarding the staff's detailed review of the Vogtle Units 3 and 4 COL application. The purpose of the call was to provide a response to the requests for additional information (RAI) #1211.

The discussion focused on the FTS System, diagram of the network, and subsystems as reviewed in FSAR chapter 9, Section 9.5.2.

At the conclusion of the call, Vogtle agreed to provide a diagram of the network and a list of the subsystems in the update of the FSAR.
