SUBJECT: Amendment to Material License No. 37-30701-01

11/11

Dear Ms. Miller:

This letter serves as a request to amend the Radiation Safety Officer on the materials license. The Radiation Safety Officer changes from Melissa A. Heely to John L. Heely. Lawrence J. Bamford will be the back-up RSO.

Due to changes in the company, Melissa will be moving from Operations into Sales & Marketing for Applied Testing & Geosciences, LLC, necessitating a change in Radiation Safety Officer.

John Heely and Lawrence Bamford have successfully completed the Radiation Safety Officer course by Troxer. Their certificates are attached.

If you need anything further, please contact me at the numbers below.

Sincerely,

Melissa A. Heely
