

## DRAFT FLOWCHART FOR TOPICAL REPORT REVIEWS THAT INCLUDE PILOT LARs

### Challenges:

- Revise LIC-101 timeliness metrics for LARs (1 year from the date of application)
- Revise LIC-101 for BWN issuance goals (30 days from the date of application)
- Review LIC-109 guidance on the use of unapproved TRs; current guidance may be adequate
- Coordination of technical resources (consistent reviewers throughout the project)
