Subject: Status of response

(NOTE: This will be used as the Documents Title in ADAMS)

Summary:

1/5/09 09:55 I left a message on Mr. Bullion's voice-mail for him to give me a call so that I could check on the status of his response to my November 22, 2008, telephone call.

1/6/09 08:45/14:30 I attempted to contact Mr. Bullion again.

1/8/09 09:00 I attempted to contact Mr. Bullion again.

1/16/09 08:45 I attempted to contact Mr. Bullion again and stated that continued non-responsiveness will be addressed by going through the President's Office.

1/21/09 13:30 Another attempt at leaving a voice-mail message. 14:30 Mr. Bullion returned my call. He stated that he has been busy with classwork, conferences and, lately, the collapse of the gym. He has not had a chance to review the documents for historical information or obtain the blueprints for square footage. He stated that he would review the documents over the next week so that he could provide me a timeframe for a response to my request for information. I urged him to work as quickly as possible.
