AMENDMENT REQUEST CLARIFICATION - RETAINING THE HDR AND TRANSFERRING
THE OTHER AUTHORIZED MATERIAL TO AVERA MCKENNAN HOSPITAL

SUMMARY (Continue on Page 2)

Called to clarify with Charles Carver based upon the September 19, 2008 amendment request, whether Medical X-Ray Center, P.C. will retain the 35.600 material and transfer the other authorized material to Avera McKennan Hospital (License No. 40-16571-01). If so, Medical X-Ray Center, P.C. may need to complete Appendix F of NUREG-1556, Vol. 15.

I spoke with Mr. Carver and he told me that the September 19, 2008 letter was more of a notification that they will retain the HDR unit until Avera McKennan Hospital's license has been amended to add the HDR unit. Another amendment request for Medical X-Ray Center, P.C. should be worked concurrently with the Avera McKennan Hospital so that once the HDR unit has been added to Avera McKennan Hospital's license that it will be deleted from Medical X-Ray Center, P.C.'s license in addition to the location of use at Avera Cancer Institute from Medical X-Ray Center, P.C.'s license.
