Beverly Hall, Chief
Radiation Protection Section
Division of Environmental Health
Department of Environment
and Natural Resources
3825 Barrett Drive
Raleigh, NC 27609-7221

Dear Ms. Hall:

On behalf of your friends and colleagues at the United States Nuclear Regulatory Commission (NRC), and in particular, the Office of Federal and State Materials and Environmental Management Programs and Region I, we wish you the very best in your retirement. I want to personally recognize your 32 years of faithful and exceptional public service provided to the State of North Carolina, the Organization of Agreement States, Inc. (OAS), the Conference of Radiation Control Program Directors, Inc. (CRCPD), and to the NRC. Your tireless efforts and technical expertise have significantly enhanced Federal and State relations. The nation has benefitted from your continued excellence in fostering a positive working relationship between the NRC, OAS, CRCPD, and related organizations.

In your 32 years with the North Carolina Department of Environment & Natural Resources, you have strengthened the State of North Carolina's relationship with the NRC. We are truly grateful for your many contributions and your efforts to help ensure consistent high standards of quality in radiation protection programs across the nation.

Our best wishes and thoughts are with you and your family for happiness and good fortune throughout your retirement.

Sincerely,

/RA/

Charles L. Miller, Director
Office of Federal and State Materials
and Environmental Management Programs
