

Void Sheet

TO: License Fee Management Branch
FROM: Region 3
SUBJECT: VOIDED APPLICATION

Control Number: 317673

Applicant: Department of the Army (Great Lakes)

License Number: 12-32489-01

Docket Number: 030-36492

Date Voided: January 21, 2009

Reason for Void: I contacted the current RSO Dr. Leung and asked him to clarify the request to add CPT Mabel A. Salas the RSO. Dr. Leung stated he was to remain the RSO on the NRC license and that CPT Salas was the "internal" RSO for the Great Lakes facility. The Army calls users and individuals who are responsible for radioactive materials on the base, but not necessarily individuals who are to be listed on the NRC license. There were to be no changes on the license, as this was an "internal" change not a change on the NRC license.
