Re: No. 29-31335-01
Control # 143133

Dear Mr. Lawyer:

Per our conversation, this letter is to confirm the Omni Diagnostics will monitor the operation at 1400 E. Route 70, Cherry Hill, NJ, The Heart Institute of Southern New Jersey.

We also have an agreement to perform close-out surveys of this facility should the agreement between Omni and the practice terminate for any reason. We will allow the practice ample time to re-establish their license, without interruption in patient testing.

Thank you for your kind attention to this matter.

If you have any questions or concerns regarding this amendment, please do not hesitate to contact me at 856-786-4700.

Sincerely,

Terry Day, RT
Nuclear Operations Manager
Co-Radiation Safety Officer
