Yes, this is pretty expensive.

I would suggest we cut out a day or so and determined what saving we can gain.

If they are not much, I might have to go ahead and take this up the management chain.

Adam, can you determine what the cost would be if we reduced the "run" by a day or two?

Thanx

Alicia

These are the cost for the Site Audit public meeting newspaper ads. The estimate for the Richmond times is coming in at over 14,000 this time. We need to go over our plan of action for this meeting.
