Subject: Staff Evaluation of Dominion's responses in NA3-08-122R, dated Dec. 3, 2008

Tom & Brad:

Tom: I have reviewed 2 of the 3 Dominion responses presented in NA3-08-122R, dated Dec. 3, 2008. Please note:

Brad: Please address with NA during your next call the proper citations for FSAR Section 2.3.5 on met data. Tables 2.3-208 to 2.3-215 vs Tables 2.3-208 to 2.3-213? See item A.5 below on RAI 12.02-11.d.iii.

A. RAI 12.02-11

CHPB partially concurs with Dominion's response and proposed markup of FSAR Rev. 1, Section 12.2 and FSAR and ER Tables.

1 - RAI 12.02-11.a - CHPB concurs with Dominion's response and proposed markup of FSAR Rev. 1, Section 12.2, Table 12.2-15R. This RAI item now becomes confirmatory item no. 12.02-11.a.

2 - RAI 12.02-11.b - CHPB concurs with Dominion's response and proposed markup of FSAR Rev. 1, Section 12.2, Tables 12.2-17R and 12.2-19bR under NA-08-085R. This RAI item now becomes confirmatory item no. 12.02-11.b.

3 - RAI 12.02-11.c - CHPB concurs with Dominion's response and proposed markup of FSAR Rev. 1, Section 12.2, Table 12.2-18bR and ER Table 5.4-4. This RAI item now becomes confirmatory item no. 12.02-11.c.

4 - RAI 12.02-11.d.i and d.ii - CHPB concurs with Dominion's response and proposed markup of FSAR Rev. 1, Section 12.2, Table 12.2-204 and ER Table 5.4-7. This RAI item now becomes confirmatory item no. 12.02-11.d.i and d.ii.

5 - RAI 12.02-11.d.iii - The staff does not concur given that the proposed response refers to non-existent or non-related FSAR Tables. The response states that Table 12.2-204, Footnote 4 will refer to FSAR "Tables 2.3-208 to 2.3-215." However, a review of Dominion's response to a related topic (see NA3-08-116) indicates that applicable tables only include Tables 2.3-208 to 2.3-213. Accordingly, the applicant is requested to revise its response to RAI 12.02-11.d.iii by confirming the citations of applicable tables in the proposed new footnote to Table 12.2-204.

B. RAI 12.02-12

CHPB concurs with Dominion's response and proposed markup of FSAR Rev. 1, Section 12.2.2.4.4, FSAR Table 12.2-203, and ER Table 5.4-6. This RAI item now becomes confirmatory item no. 12.02-12.

Regards, Jean-Claude ...
