Enclosed please find our application for NRC Export/Import License Amendment along with the application fee.

We have noted a change in the license number format between Amendments 5 and 6 of our import/export license. The format has changed from CBP to PCB and the dash has been replaced with a decimal. We would like to request confirmation of the change in format.

Please feel free to contact Troy Hedger with any questions or comments.

Thank you,

Mandie Hedger
Administrative Assistant
