

Welcome to the NRC's Open House
Associated with the Environmental Review for
Bell Bend Nuclear Power Plant
Combined License Application

This open house is intended to provide an opportunity for interested members of the public and staff from other Federal, State, and local agencies to interact with the NRC staff in an informal information exchange.

The NRC is gathering information necessary to prepare an Environmental Impact Statement (EIS) in support of the combined license application for Bell Bend Nuclear Power Plant. Please note that if you wish to provide formal comments regarding the scope of the environmental review for Bell Bend Nuclear Power Plant, they must be presented at tonight's session of the transcribed public meeting or provided in writing or electronically by March 9, 2009. Comments received after this date will be considered while developing the draft EIS if it is practical to do so, but the NRC staff is able to assure consideration only for comments received on or before March 9, 2009. Written comments on the scope of the EIS should be sent to:

Chief, Rules and Directives Branch
Division of Administrative Services
Office of Administration
Mailstop TWB-05-B01M
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Submittal of electronic comments may be sent by e-mail to the NRC at

BBNP.COLEIS@nrc.gov.

Thank you for your participation.
