Subject: info: rai for spent fuel disposal contract

Stephanie, and Brenda,

I talked to TVA and they have not yet entered into a spent fuel disposal contract with DOE. They have a contract for signing but they are not sure of the time frame for signing the contract. They understand the basis for the RAI and agree that it is appropriate. Based on this I entered an RAI into the system for Stephanie's approval (see below).

If you have any questions, please let me know.

Thanks,

Joe
