SUBJECT: SIMS/METAL MANAGEMENT, VOIDANCE OF APPLICATION FOR LICENSE  
AMENDMENT, CONTROL NO. 143004

Dear Ms. Garner:

This concerns the subject application for an amendment to your NRC Materials License No. 29-30495-01. In reviewing this matter, we have determined that the aforementioned amendment to your license is not necessary. Subsequent to your amendment request dated November 10, 2008, you submitted letter dated December 29, 2008, requesting that this license be terminated. Therefore, due to the pending termination, we have voided your previous application for amendment. This action is taken without prejudice to the resubmission of your request.

In addition, as you discussed with me on the telephone and by e-mail on January 26, 2009, we understand that you will submit a similar amendment request for matters pertaining to your other license, NRC License 29-30495-02, as soon as possible.

If you have any questions related to these matters, please contact me at 404-562-4728, or by email at [bryan.parker@nrc.gov](mailto:bryan.parker@nrc.gov).

Sincerely,
