Attachments: CORRECTED Letter to Board and Parties re Confirmatory Calculations for CS and RO.pdf

The transmittal letter forwarded to the Board and parties earlier today contained a typographical error. In the fourth line of the first paragraph of the letter, the phrase "Containment Spray (CS) nozzle" should have been "Core Spray (CS) nozzle." Enclosed is a corrected transmittal letter. The same correction has been made on the hard copies being sent to the Service List.

We apologize for the error.
