Re: Wal-Mart Tritium Exit Sign Inventory Project Final Report

Dear Mr. Pangburn:

Attached is Wal-Mart Stores, Inc.'s (Wal-Mart) Tritium Exit Sign Inventory Project (TESIP) Final Report for your review (3 copies). This report summarizes extensive actions initiated by Wal-Mart and its consultants to identify, inventory, and disposition all tritium exit signs (TES) purchased or otherwise acquired by Wal-Mart. We believe that this robust effort is unprecedented for a general licensee and that it reflects the seriousness that Wal-Mart takes its regulatory obligations regarding TES.

Please feel free to contact me at (479) 204-9914, if you have any questions.

Sincerely,
