

February 4, 2009

Ms. Carolyn Branch
Callaway County Public Library
710 Court Street
Fulton, MO 65251

SUBJECT: MAINTENANCE OF REFERENCE MATERIALS AT THE CALLAWAY
COUNTY PUBLIC LIBRARY RELATED TO THE ENVIRONMENTAL
REVIEW OF THE AMERENUE COMBINED LICENSE APPLICATION AT
THE CALLAWAY PLANT UNIT 2 COMBINED LICENSE SITE

Dear Ms. Branch:

This letter is a follow-up to our telephone conversation on September 18, 2008, concerning the maintenance of relevant documents regarding the environmental review for the Callaway Plant Unit 2 combined license (COL) application by your library. These documents are related to the U.S. Nuclear Regulatory Commission (NRC) staff's environmental review and preparation of an environmental impact statement (EIS) for the AmerenUE application for COL at the Callaway site.

We appreciate your willingness to assist the public in participating in the COL application process for a new nuclear reactor. As discussed, your support would consist of providing shelf space in your reference section, for documents related to the NRC staff's environmental review of the new reactor license application available to the public. One hard copy and one CD of the Callaway environmental report were sent to you by express mail on January 30, 2009.

We will place the Callaway County Public Library on our distribution list for future correspondences and documents related to our environmental review. We request that you place these items on the reference shelf as they are received.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at (301) 415-3731 or at bruce.olson@nrc.gov or John Fringer at (301) 415-6208 or john.fringer@nrc.gov.

Sincerely,

/RA/

Bruce Olson, Environmental Project Manager
Environmental Project Branch 1
Division of Site and Environmental Reviews
Office of New Reactors

Docket No.: 52-037

cc: See next page
