WASHINGTON, D. C. 20555

N137

August 4, 1988

Mr. Richard Stratford
Deputy Assistant Secretary
for Nuclear Energy Technology Affairs
U.S. Department of State
Room 7831
Washington, D. C. 20520

RE: Report on Taiwan Nuclear Safety

Dear Mr. Stratford:

Enclosed is an advance copy of the report by the Nuclear Safety Review Panel for nuclear power plants in Taiwan. I understand while the report was provided to the AEC, it has not been made public. My subjective reactions to the comments are indicated in the marginal notations.

Sincerely,

Harold R. Denton, Director
Office of Governmental and
Public Affairs
