

# **Emergency Preparedness (EP) New Reactor Licensing Reviews**

**Chris Miller**

Deputy Director, Division of Preparedness & Response

FEMA Region V-REP Scheduling Meeting

February 4, 2009

## Discussion Topics

- Common Review Schedule
- Status of Combine Operating License (COL) Applications

## Common Review Schedule

- NRC & FEMA have established a common review schedule
- When published, site specific details are posted on NRC website: [www.nrc.gov](http://www.nrc.gov)
- Schedules are being updated

## Status of COL Applications

- FEMA reviews continue on all current applications in accordance with the schedule
- NRC review on hold at applicants' request for Victoria, Grand Gulf, and River Bend

## Status of COL Applications

- Significant progress since the In-Progress Review (IPR) / Standard Operating Procedure (SOP) / Matrix Meetings
- Interested in applicants' interpretations of FEMA's Inspections, Tests, Analyses, and Acceptance Criteria (ITAAC)-like document
