**Subject:** Substitute Memorandum and Order in Crow Butte proceeding  
**Attachments:** Crow Butte LBP-09-1 - 1-27-09 - 02.02.09 substitution.pdf

Please substitute the attached document for LBP-09-01, issued last week. There is one small change to footnote 134 to correct an error that was earlier overlooked. This does not change any of our rulings in any way.

You will also soon be receiving an email from SECY, concerning the changeover of this case to the EIE system. We hope that all can be worked out through email with SECY, but if any problems arise in the change we can set up a conference to address these, as necessary. At least one counsel for each party will need to have a certificate, so you might all respond to us, SECY and all the other parties will the most current information on counsel for each party.

Thank you for your attention to these matters.

Judge Young.
