Attachments: RAI No 54 COLP 1776.doc

Rob,

Attached please find the subject request for additional information (RAI). A draft of the RAI was provided to you on January 16, 2008. No conference call was requested to discuss this RAI. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.

John Rycyna, PE

Request for Additional Information No. 54
1/29/2009

Calvert Cliffs Unit 3
UniStar
Docket No. 52-016

SRP Section: 13.01.01 - Management and Technical Support Organization
Application Section: 13.1 Organizational Structure of Applicant

QUESTIONS for Operating Licensing and Human Performance Branch (AP1000/EPR Projects) (COLP)

13.01.01-1

Standard Review Plan Section 13.1.1, "Management and Technical Support Organization," section I.1.A.iii requests the applicant describe, for the design and construction period, the review and approval of plant design features, including human factors engineering (HFE) considerations.

Please provide this information, describe where in the application the review and approval of plant design features, including human factors engineering (HFE) considerations can be found, or justify an alternative.

13.01.01-2

Standard Review Plan Section 13.1.1, "Management and Technical Support Organization," section I.1.B.ii requests the applicant describe the development and implementation of the applicant's staff recruiting and training programs.

Please describe the development of the staff recruiting and training programs, identify their location in the application, or justify an alternative.

13.01.01-3

Standard Review Plan Section 13.1.1, "Management and Technical Support Organization," section I.1.B.iii requests the applicant describe the development of the plant maintenance programs.

Please describe the development of the plant maintenance programs, identify where this information can be found in the application, or justify an alternative

13.01.01-4

Standard Review Plan Section 13.1.1, "Management and Technical Support Organization," section I.1.B.v requests the applicant describe the responsible working level organizational unit that will be in place during design, construction, and preoperation.

Please describe this unit(s), and describe where this information can be found in the application, or justify an alternative.

13.01.01-5

Standard Review Plan Section 13.1.1, "Management and Technical Support Organization," section I.1.B.vii requests the applicant describe the general educational and experience requirements for identified positions or classes of positions. Section I.1.B.ix requests the applicant describe the education and experience requirements for management and supervisory positions for design and construction and preoperation.

Please describe these requirements for headquarters staff and staff utilized during design, construction, and pre-operation, describe where this information is found in the application, or justify an alternative.

13.01.01-6

Standard Review Plan Section 13.1.1, "Management and Technical Support Organization," section I.1.B.viii requests the applicant describe how its management interfaces with the NSSS and AE organizations for design, construction and preoperation.

Please describe this interface, where this information can be found in the application, or justify an alternative.
