810 Broad Street
Newark, New Jersey 07102

To the Legal Department of U.S. Nuclear Regulatory Commission:

This office represented the New Jersey State Board of Medical Examiners in an action against Board licensee Magdy Elamir, M.D.

Dr. Elamir signed Newark Medical Associates application for its NRC license in February 21, 1996 (NRC Form 313 Application for Material License, dated February 21, 1996). The license listed Gerard W. Moskowitz, M.D. as both the RSO and the authorized user. Please provide this office with a certified copy of this document.

Further, please advise the status of Dr. Elamir's license NRC Material License No. 29-30282-01, as well as any other licenses from the NRC that have been held or are presently held by this doctor.
