Subject: Conference Call in Crow Butte License Renewal Proceeding
To Parties in the Crow Butte License Renewal Proceeding:

The Licensing Board for this proceeding would like to hold a telephone conference with the parties. Through this email, I would like to solicit that all parties advise me by noon on Wednesday, August 20 of any dates on which counsel would be unavailable during the week of August 25, 2008 for the conference, and the number of phone lines needed for other necessary participants so that I may share this information with the Board. The Board anticipates the telephone conference will last approximately one hour or as necessary to discuss the issues in the proceeding, any preliminary matters, and any questions the participants may have with regard to the proceeding. Most Particularly, the Board will ask the parties to address on the conference call their availability during the months of September and October for a hearing to be held in Nebraska on the issue of petitioners' standing and contention admissibility.

Thank you.
