RE: Proposed Agreement with the Commonwealth of Virginia

Dear Sir or Madam:

03034638

In response to the above-referenced proposal, Adams Construction Company wishes to transfer its existing NRC license (License No. 45-25423-01) to the Commonwealth of Virginia. Currently, Adams Construction Co. conducts activities only in Virginia and North Carolina; both agreement states, and therefore would not require an NRC license. I understand that our NRC license will be converted to a Commonwealth of Virginia license at the time of next renewal, amendment or as determined by the Commonwealth.

Thank in advance for your assistance in this matter. Please do not hesitate to contact me at 434-791-4480 or 434-251-9009, if I can provide you with additional information.

With kind regards,
Adams Construction Co.
