Ken,

If you reread Ms. Williamson's email, I believe she is saying that an email account has been set up on the error address so that all comments will be received.

In order to make sure that we capture all comments, we are setting an email address within our capture system entitled NorthAnnaCOLEIS@nrc.gov. Therefore, if any comments are sent to that address we will still get them.
Thank you for your help with this matter.

Dear Ms. Williamson,

Attached please find my comments on the Draft SEIS. I was unable to attend last night's meeting as I am ill.

Do you need contact information for notifying the Central Virginian of the error in this week's paper. Just email me back and I will send it to you.

Thank you.
