I can accomodate any time tomorrow except between 9-10am.

That does not work for John or me. Later in the afternoon? I have a 3:30 (4:30 EST) conflict.

Laura,

2 PM Eastern time tomorrow conflicts with the NRC's 1:30-3:30 PM DSER All Hands Meetings, which Laura and I will be expected to attend. Perhaps we can have the telecom tomorrow morning instead, say at 11 AM Eastern Time.

Does that work for everyone?

**Subject:** Telecom to go over Info Needs and Site Audit Schedule

I am going to set up a telecom for tomorrow to go over the info needs (DTE Questions/concerns on them) and to go over the draft schedule that I will be sending out shortly. How does 2pm eastern time work for everyone. Randy please keep in mind to have your contractors represented at this telecom so we can go over any questions they have in the information needs for the audit.

Thanks

Laura
