Randy,

We are still a bit up in the air regarding our arrival and departure dates. I do believe that most of us will arrive on Sunday night (February 1) and start the audit first thing on Monday morning. As for the departure date, we had originally planned for the afternoon of Friday, February 6. However, Mike Masnik won't be arriving until Wednesday noon at best, so we may need for him and some others to continue working through Friday and possibly into Saturday. For now, I would suggest that we prepare for the worst case.

Thanks,

Stephen Lemont, Ph.D.

Subject: Environmental Audit Schedule

Steve,

I noticed that for Levy County's Environmental Audit schedule, the NRC was traveling on Monday and the audit started on Tuesday. What are your plans? Are you arriving Sunday night, Feb. 1 or are you traveling on Monday? Also, on Friday February 6, do you plan to wrap up the audit by noon, so people have time to catch flights out?

Thanks,
